Project Gallery V

New York City, N.Y., October 31st, 2022 | Project Gallery V presents *betwixt and between*: a juried show from the Fall Exhibition Open Call 2022.

Between the realms of reality and fantasy exists a thin veil that suspends our belief and captures our attention by requiring us to find normalcy in the surreal.

The featured artists explore unique ways of masking and altering their forms so that they are neither fully one thing or another – making familiar objects and shapes feel distant. Their abstract configurations meld and mix to reveal the inter-reality that exists in that space between the possible and the absurd.

betwixt and between features work from Jordin Alanis, Santina Amato, Katina Bitsicas, Shelby Corso, Vanezza Cruz, Marilla Cubberley, Julia Curran, Daisy Diamond, Jan Dickey, John Brendan Guinan, Zach Hill, Peishan Huang, Doi Kim, Cydney M Lewis, Daniela Lucato, Farrell Mason- Brown, Casey Neumann, Michelle Paterok, Ophélie Paris, Katrina Slavik, Assunta Saulle, Michael Saunders, Ayshia Taskin, Andy Van Dinh, Til Will and Hayley Youngs.

This is the 5th juried exhibition held by Project Gallery V and marks the one year anniversary of their juried exhibitions. PGV was established in September of 2020 by Cary Hulbert and Trinity Lester.
